ReadiStep Assessment

What Is it?

ReadiStep™, a low-stakes middle school assessment tool that provides teachers with tools to get students on the path early of college readiness instead of just being “college eligible”.

An assessment of reading, writing, mathematics

Measures student proficiency relative to that of other eighth-graders on a national, state and school/district level

Aligned with the English Language Arts and Mathematics College Board Standards for College Success™.

ReadiStep ~ Why Use?

ReadiStep Assessment ...

- Shows how well each student is performing in key academic areas and where he or she needs further development
- Teachers can use this information to guide instruction and curriculum development.
- Can help students and their parents understand which skills need work as students make the important transition into high school.
