

# SAT® Percentile Ranks for Males, Females, and Total Group

## 2013 College-Bound Seniors — Critical Reading + Mathematics + Writing

This table allows you to compare a student's combined SAT® scores with the performance of other test-takers in the total group of 2013 college-bound seniors, as well as with all males and all females in the cohort. Percentile ranks show the percentage of each group who scored lower on the three sections together.

Note that composite scores are not the best way to view SAT scores because important differences between the performances on each section are obscured.
