

# What Students Are Saying About Official SAT<sup>®</sup> Practice on Khan Academy<sup>®</sup>

More than 2.7 million students are signed up for Official SAT Practice to get ready for the SAT. Here's what a few of them had to say.

**Valencia, Senior**  
Booker T. Washington  
High School  
Houston, Texas

***Valencia's SAT score was 470 points higher than her PSAT/NMSQT<sup>®</sup> score.***

"I want to play sports at a Division 1 university. Khan gave me the winning edge. With Khan Academy, every time I got a question wrong, I was able to go back and do it again and get better and better. I was able to study and stay focused. Since getting my SAT scores back, I've gotten at least 10 emails and calls from colleges trying to recruit me."

**Tatiana, Senior**  
Oak Ridge High School  
Orlando, Fla.

***Tatiana's SAT score was 250 points higher than her PSAT/NMSQT score.***

"I love that Khan Academy shows you your errors. It really helped me in understanding words in context, it really broke it down for me. With the PSAT/NMSQT score I doubted myself, but my teachers showed me with Khan Academy I could do it. If it wasn't for Khan Academy, I wouldn't have access to SAT practice at all. It's a godsend!"

**Matthew, Senior**  
Booker T. Washington  
High School  
Houston, Texas

***Matthew's SAT score was 200 points higher than his PSAT/NMSQT score.***

"All I had before was a dictionary and books I could take from the library. When my teachers introduced me to Khan Academy, I was so happy that it was free. The website was simple, straight to the point, and it really helped me with problem solving."

**Camila, Senior**  
Millikan High School  
Long Beach, Calif.

***Camila's SAT score was 300 points higher than her PSAT/NMSQT score.***

"What I like is that it gives you a schedule to keep track—every month it gave me a practice test on what I had been working on. I was kind of surprised the first time I increased [my score] 200 points [on a practice test]—so I realized the more work I could put in, the more I would get out of it."
